Hello, everyone. I'm going to talk about my dog. His name is Max. He is a member of my family. I like him very much. When my family got him, he looked cute. He is two years old now. From Monday to Friday, I usually walk with him for one hour before going to school.

On weekends, I take Max to a big park. While we are walking, people with dogs often speak to us. Last Sunday, a woman with a child and a small dog spoke to me. She said, "I like your dog. How old is it?" I enjoyed talking with her, and Max looked happy to be with her dog. And her child liked Max, too.

All my family love Max. By walking with him, I can enjoy talking with people more often. Thank you for listening.
